Pregnancy, 8th - 11th months	1 - 1 1/2 lbs per day
Lactation, 1st - 3rd month	1 – 2 lbs per day
Lactation, after 3rd months to Weaning	1 - 1 1/2 lbs per day
Breeding Stallion	Up to 2 lbs per day

The Benefits of Integrity Horse Feeds

- · Promotes gut health; soluble fiber base formulas, beet pulp &/or sov hulls.
- Contains yeast culture, probiotics & prebiotics to promote
- · No high starch grains; no corn or barley; no alfalfa.
- · Formulas with low starch/sugar formulation.
- · Balanced for minerals & vitamins (except Rice Bran).
- Contains chelated minerals copper, zinc, manganese & selenium yeast.
- Contains whole ground flaxseed meal, source of omega-3 fatty acids.
- · Fixed formulations, same ingredients & amounts in every
- · Easy to transition between formulas.

Complete nutrient profile of all Integrity products is available at www.integrityhorsefeed.com

- All Integrity Horse feeds are manufactured at Star Milling's own facility in Perris CA
- Star Milling Co is a medication/drug free facility that does not blend antibiotics, ionophores or coccidiostats in any of the feeds produced.
- Integrity Horse Feeds' balanced formulas were formulated to complement the forage portion of the horse's diet. Most adult horses require 1.5 - 2.0% of their body weight in forage per day.
- Feeding amounts can vary with individual horses. The horse's level of activity, Body Condition Score, body weight, and environment will influence the amount fed.
- The suggested minimum daily amount of Integrity Horse Feeds is 2 pounds per day**

**Does not apply to Integrity Rice Bran or for horses under 800 lbs

Feed by weight, not by volume. The chart below illustrates that Integrity feeds will differ in volume when comparing similar weights.

Integrity Horse Feed	Cups per 1 Pound**
Performance	4.5
Adult/Senior	4.5
Growth	4
Lite	4
Adult/Senior (No Molasses)	4
Rice Bran Nugget	3.75
Lite (No Molasses)	3.75
Timothy	3.5
Rice Bran Meal	3
Mare & Foal	3

**Cups refer to Integrity Scoops that can be ordered from your local dealer. Each scoop is 32 oz.

Ingredients that improve digestion **PRE & PRO BIOTICS**

BENEFITS

- Natural solution to intestinal health issues.
- Natural solution to help animals achieve true
- Yeast strains are selected for influence on performance.
- Helps maintain gut health.
- Increases good bacteria in the gut.
- Micro toxin inhibitor.
- Add an organic form of selenium for fueling muscle.
